Minutes of the meeting

Date of Conduct : 18-06-2020

Venue : Online

A meeting is conducted in Online mode at 10.30 AM to discuss the uploading of AQAR Report(2018-19) in the NAAC site and any other issues.

Meeting Agenda

1. To discuss about uploading the AQAR Report(2018-19) in the NAAC' site
2. Any other

Resolution

1. a. The data of all seven Criteria's in the AQAR format is discussed, verified and arranged for uploading in the NAAC' site.
b. All the criterion coordinators are advised to take initiatives for making the AQAR uploading process a success.
2. a. It is decided to conduct the classes to the students in online mode using the Zoom, Google Meet. It is decided that the lectures, class work and other student related class

work files should be uploaded in Moodle server and also in Google classroom.

b. It is decided to revise the PVP20 regulations in accordance with the National Education Policy, Andhra Pradesh State Council for Higher Education and Jawaharlal Nehru Technological University - Kakinada by

- Introducing the Honours /Minors courses for higher level academic brilliance in the chosen course and for in-depth understanding and knowledge of the subject which will be of vital importance for higher studies and quality research.
- Introducing skill oriented courses for personal and professional growth of the student fraternity. Focus on practical skills can improve their chances of employability.
- Making the Internships mandatory as it provides the students the much needed work experience besides the hands-on experience of working with the professionals of reputed companies.
