1/4 B.Tech. SCOND SEMESTER
CS2L1   ENGLISH LANGUAGE COMMUNICATION SKILLS LAB
<div align="center">Required   Credits: 2</div>

Lecture: --   **Internal assessment: 25 marks**
Lab: 3 period /week   **Semester end examination: 50 marks**

Course context and Overview: The Language Lab focuses on the production and practice of sounds of language and familiarises the students with the use of English in everyday situations and contexts.

Objectives:
This lab focuses on using computer-aided multimedia instruction for language development to meet the following targets.

1. To improve the student's fluency in English, through a well-developed vocabulary and enable them to listen to English spoken at normal conversational speed by educated English speakers and respond appropriately in different socio-cultural and professional contexts.
2. Further, they would be required to communicate their ideas relevantly and coherently in writing.

Learning Outcomes:
The student will be able to

1. Understand the importance of communication skills especially in interviews. Get the knowledge of pre and post interview techniques, various types of questions asked by the interviewers and use proper language on phone and attend telephone interviews successfully
2. Get the talent of writing skills, self-learning, practical knowledge and reading abilities
3. Use language effectively to communicate, to face interviews, in group discussions, public speaking with the help of modern soft ware installed in language labs.
4. Get the Knowledge to plan, select and organize ideas for an effective presentation.
5. Understand contemporary issues and apply that knowledge in group discussions and practice to participate in multidisciplinary teams' group discussions.
