Date: 25-10-2022

The Department of CSE under the Innovation Club has taken a step towards their club main theme. The Secretary of the club initiated a talk session on Web technologies.

The highlights of the session

- Webinar on Web Technologies
- HTML and CSS course's introduction.
- Interaction with club President
- Interactive suggestions on activities
- Classification of courses in club

Later, they have participated in a small activity by giving suggestions to president to their choices. The club president gopichand has taken a keen hand in conducting it.

Before the departing, the secretary Sidhartha took the opening to classify members of club by leaving them to pick their interested courses to improve their skills and knowledge on computers.

This week innovation club activities successfully conducted.
