The Department of CSE under the Innovation Club has taken a step towards their club main theme. The members of the club have registered accounts in **MSME (Ministry of Micro, small & Medium Enterprises)**. MSME encourages small businesses and firms to keep innovating and working on new projects and technologies.

The highlights of the session

- Registration in <https://msme.gov.in/>
- Students presenting ideas to MSME
- Interaction with club President
- Interactive game on scientist around the world
- Classification of courses in club

Our future innovators have presented some of their ideas in MSME which was known as backbone of our countries artisans and innovations.

Later, they have participated in a small activity of guessing scientist and their inventions based on their picture. The club president gopichand has taken a keen hand in conducting it.

Before the departing, the secretary Sidharth took the opening to classify members of club by leaving them to pick their interested courses to improve their skills and knowledge on computers.

This week innovation club activities successfully conducted.
