Title of the Program	Campus Visit
Visit Guides	NSS Coordinators and Senior Students
Brief Report on the Event	<p>As a part of the Student Induction Program, I B. Tech. students participated in a campus visit on 6th August 2024. The visit was organized to familiarize the students with the college environment, facilities, and resources, marking an important step in their transition into college life.</p> <p>The campus tour began with students being divided into small groups, each led by senior students and faculty members. The tour covered all major areas of the campus, including the academic blocks, library, laboratories, workshops, and administrative offices. Students were also introduced to various support services, such as the counselling centre, student activity centre, and the health centre.</p> <p>Students visited classrooms and laboratories, where they were briefed on the available equipment, on-going projects, and the hands-on learning opportunities they would have during their course of study.</p> <p>The students were given a tour of the library, where they learned about the available resources, including textbooks, reference materials, journals, and digital resources. The librarian explained the library's functioning and the process for borrowing books.</p> <p>The tour also included visits to the sports complex, gymnasium, and other recreational facilities, highlighting the importance of physical fitness and extracurricular activities in maintaining a balanced student life.</p> <p>The visit concluded with an informal interaction session, where students shared their first impressions of the campus. Faculty members answered questions and provided additional information on the various facilities. The campus visit was a success, leaving students excited and confident about beginning their academic journey at the institution.</p>
