Freshman Engineering Department

Name of the Activity / Program: Universal Human Values Orientation

Speaker / Faculty : Dr. B. Surya Prasad

Objectives:

- To raise awareness about universal human values such as respect, empathy, integrity, and justice.
- To foster a sense of global citizenship and ethical responsibility among participants.
- To provide a platform for dialogue and reflection on how these values can be applied in various contexts.

About the Topic/ Activity:

The event featured a keynote address by Dr. B. Surya Prasad who discussed the importance of universal values in fostering harmony and understanding in a diverse world. The speaker emphasized how these values underpin ethical behaviour and contribute to personal and collective well-being. Participants engaged in interactive session designed to explore and reflect on different aspects of universal human values.

He highlighted the significance of these values in both personal and professional spheres, urging students to introspect on their own beliefs and behaviours. The sessions were interactive, fostering open dialogue where students could voice their thoughts and concerns. They were encouraged to contemplate how to integrate these values into their everyday lives and academic endeavours. In summary, the day was a fruitful mix of learning and reflection, providing students with valuable insights to apply in their personal development and academic progress.
