

PRASAD V POTLURI
SIDDHARTHA INSTITUTE OF TECHNOLOGY
MECHANICAL DEPARTMENT LIBRARY

The Department Library consists of Text books, Project books, NPTEL video lessons, National and international journals.

Library Timings: 9 am - 5 pm

701 volumes of text books
32 NPTEL video lessons
17 NPTEL Web courses
68 SONET CD's
22 National & 5 International Journals
Project Books
PhD Thesis Books
are placed in the Dept. Library

The Department Library consists of Text books, Project books, video lessons, National and international journals.

1. **701** volumes of text books are going to cover the entire Four year course in the advance technology.

2. The old student project books are help full for the present students to acquire the knowledge about the project Thesis.

3. The video lessons prepared by the premier institutions like IIT's are placed in the department library. Students can Gain more knowledge about the subjects from the video lessons.

4. The National and international journals like

Indian Journal of Science and Technology

Journal of Manufacturing Engineering

Journal of Engineering Heat and Mass Transfer

International journal of Mechanics and solids

Journal of Institution of Engineers

Advances in Vibration Engineering

International Journal of Nanotechnology and Applications

International Journal of Material Science

Industrial Automation

Journal of Manufacturing Engineering

Journal of Aerospace Sciences and Technologies

Bulletin of Material Science

Air-conditioning and Refrigeration Journal

Materials Today– Elsevier

International journal of Dynamics of Fluids

...and Many more are placed in the department library. These journals are useful to the students to know the recent trends in mechanical engineering

5. The department library is very useful to the students for paper presentations, Project Exhibitions, and model presentations.

6. Department library is also having a computer with 100.0 Mbps internet bandwid

NUMBER OF BOOKS ARE AVAILABLE IN DEPARTMENT LIBRARY:

Sl.No	Accession No.	Title	Author	Publisher
1	001	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
2	002	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
3	003	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
4	004	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
5	005	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
6	006	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
7	007	Enggining Mechanics Statics & Dynamics	F.L.Singer	Harper Collins
