The screenshot shows a Google Meet browser window. The main content is a presentation slide titled "What is Design?". The slide contains the following text:

### What is Design?

- Design is where you understand the targets of the product and try to solve the problems in achieving those targets
- Design engineer maintains a perfect balance between functionality, ergonomics, manufacturability and cost of the product
- Every CAD model that you make might not be manufacturable, real life constraints need to be considered while designing the component

At the bottom right of the slide, it says "SKILL LYNC".

On the right side of the browser window, there is a "Meeting details" panel showing 148 participants. Below that, a list of participants is visible, including:

- 19501A0342 MACHARL...
- 17501A0378 PADALA SH...
